* Mean SRTE score for semesters before Fall/20. For Fall/20 onward, the median SRTE score is given. Scores range from 0–7 with 7 being the highest.

† For Spring/15, statistically meaningful mean SRTE scores could not be reported owing to the small number of respondents (as per instructions from Dr. Blannie Bowen, Vice Provost

for Academic Affairs). For Spring/20, SRTE scores could not be reported owing to the sudden mid-semester interruption of in-person teaching by the COVID-19 pandemic.
